

Science at Elm Tree Primary School

	Autumn 1	Autumn 2	Spring	Summer 1	Summer 2
EYFS	In EYFS we use high-quality structured story time to launch our science exploration. We focus our learning on plants; animals including humans; seasonal change, environmental change; forces and how things work. We choose these to enable our pupils to be ready for the next stage of learning within the curriculum.				
	 Forces  Materials  Seasonal change	 Plants (flowers)	 Living things and their habitats  How fossils are created	 Living things and their habitats  Earth and space 	 Animals including humans (lifecycles)  Living things and their habitats  Plants
Year 1	Plants	Seasonal Changes	Animals including humans	Seasonal changes and plants (revisit)	Everyday materials
Year 2	Living things and their habitats	Uses of everyday materials	Animals including humans	Plants	
Year 3	Animals including humans	Plants	Forces and Magnets	Rocks	Light
Year 4	Electricity	Living things and their habitats	States of matter	Sound	Animals including humans
Year 5	Animals including humans	Earth and Space	Living things and their habitats	Properties of materials	Forces
Year 6	Animals including humans including circulation and water transport	Light	Living things and their habitats (classification) & Evolution		Electricity
